

GENERAL CONDITIONS OF PURCHASE

1 / **ORDERS:** acceptance of orders made by CREAT society implies adherence to these terms and conditions by the provider notwithstanding any contrary clause in its own conditions of sale and unless special contract stipulating expressly the points on which CREAT accepts a derogation.

2 / **ORDER CONFIRMATION:** any order placed by CREAT is deemed valid only after acceptance by the supplier and supply an accused of receiving.

3 / **ORDER CANCELLATION:** cancellation of command may interfere with the express and written the provider agreement.

4 / **DELAY:** delivery times have starting point for the date of receipt of the order. Delays in delivery may give rise to damages; a delay in delivery may result in cancellation of the order.

5 / **PRICE:** except prior agreement, the prices are excluding taxes for goods ex-factory. All the additional costs, of any kind, are decided by mutual agreement.

Prices are established according to the tariffs and fees in force at the command and must be firm for a period of one year, except justified the provider argument and prior agreement of CREAT.

6 / **PAYMENT:** unless specific provisions, supplies are payable by cheque or drafts accepted 60 days net.

7 / **QUALITY:** the supply of all products and services purchased by CREAT shall meet the requirements of the ISO 9001 standard and other laws applicable, in particular RoHS and REACH.

For products falling within the aviation supply, vendor agrees to comply with the requirements of the EN 9100 standard applicable. In particular, it is committed to:

- Receive on its production sites and simple request a representative of CREAT, its customers or aeronautical authorities.
- Develop implementing any provision necessary for the conservation of documents relating to the command for a period of 15 years.
- Keep us informed of any non-compliance occurred on a manufacturing or product about us
- Keep us informed of any change occurred on products or processes, on providers or locations, and receive from us an agreement before that these changes be effective.
- Obtain its own suppliers the same conditions.

8 / **CRITERIA FOR ACCEPTANCE OF PRODUCTS:** the acceptance of the products delivered will be made only after finding of full compliance with the requirements of the order and its annexes.

The acceptance of a non-compliant product may not be decided by a member of CREAT.

9 / **DELIVERY NON-COMPLIANT:** any product non-compliant will be returned after the supplier, port information, accompanied by a form of non-compliance to return to us within 5 days.
